The Tennessee Administrative Register (T.A.R) is an official publication of the Tennessee Department of State. The T.A.R. is compiled and published monthly by the Department of State pursuant to Tennessee Code Annotated, Title 4, Chapter 5. The T.A.R contains in their entirety or in summary form the following: (1) various announcements (e.g. the maximum effective rate of interest on home loans as set by the Department of Commerce and Insurance, formula rate of interest and notices of review cycles); (2) emergency rules; (3) proposed rules; (4) public necessity rules; (5) notices of rulemaking hearings and (6) proclamations of the Wildlife Resources Commission.

Emergency Rules are rules promulgated due to an immediate danger to the public health, safety or welfare. These rules are effective immediately on the date of filing and remain in effect thereafter for up to 165 days. Unless the rule is promulgated in some permanent form, it will expire after the 165-day period. The text or a summary of the emergency rule will be published in the next issue of the T.A.R. after the rule is filed. Thereafter, a list of emergency rules currently in effect will be published.

Proposed Rules are those rules the agency is promulgating in permanent form in the absence of a rulemaking hearing. Unless a rulemaking hearing is requested within 30 days of the date the proposed rule is published in the T.A.R., the rule will become effective 105 days after said publication date. All rules filed in one month will be published in the T.A.R. of the following month.

Public Necessity Rules are promulgated to delay the effective date of another rule that is not yet effective, to satisfy constitutional requirements or court orders, or to avoid loss of federal programs or funds. Upon filing, these rules are effective for a period of 165 days. The text or summary of the public necessity rule will be published in the next issue of the T.A.R. Thereafter, a list of public necessity rules currently in effect will be published.

Once a rule becomes effective, it is published in its entirety in the official compilation-Rules and Regulations of the State of Tennessee. Replacement pages for the compilation are published on a monthly basis as new rules or changes in existing rules become effective.

Wildlife Proclamations contain seasons, creel, size and bag limits, and areas open to hunting and/or fishing. They also establish wildlife and/or public hunting areas and declare the manner and means of taking. Since Wildlife Proclamations are published in their entirety in the T.A.R., they are not published in the official compilation-Rules and Regulations of the State of Tennessee.

Back Issues - Some back issues of the Tennessee Administrative Register are available. Please send $1.50 per issue along with the volume, number and date you wish to order to the address in the back of this issue.

Back issues presently available start with the August, 1975 edition. The mailing address of the Division of Publications is shown on the order form in the back of each issue.

DEPARTMENT OF FINANCIAL INSTITUTIONS – 0180

ANNOUNCEMENT OF FORMULA RATE OF INTEREST

Pursuant to the provisions of Chapter 464, Public Acts of 1983, the Commissioner of Financial Institutions hereby announces that the formula rate of interest is 11.57%.

This announcement is placed in the Tennessee Administrative Register for the purpose of information only and does not constitute a rule within the meaning of the Uniform Administrative Procedures Act.

DEPARTMENT OF FINANCIAL INSTITUTIONS – 0180

ANNOUNCEMENT OF MAXIMUM EFFECTIVE RATE OF INTEREST

The Federal National Mortgage Association has discontinued its free market auction system for commitments to purchase conventional home mortgages. Therefore, the Commissioner of Financial Institutions hereby announces that the maximum effective rate of interest per annum for home loans as set by the General Assembly in 1987, Public Chapter 291, for the month of May 2006 is 9.01 percent per annum.

The rate as set by the said law is an amount equal to four percentage points above the index of market yields of long-term government bonds adjusted to a thirty (30) year maturity by the U. S. Department of the Treasury. For the most recent weekly average statistical data available preceding the date of this announcement, the calculated rate is 5.01% percent.

Persons affected by the maximum effective rate of interest for home loans as set forth in this notice should consult legal counsel as to the effect of the Depository Institutions Deregulation and Monetary Control Act of 1980 (P.L. 96-221 as amended by P.L. 96-399) and regulations pursuant to that Act promulgated by the Federal Home Loan Bank Board. State usury laws as they relate to certain loans made after March 31, 1980, may be preempted by this Act.

Greg Gonzales
For the date, time, and, location of this hearing of the Joint Operations committees, call 615-741-3642. The following rules were filed in the Secretary of State’s office during the previous month. All persons who wish to testify at the hearings or who wish to submit written statements on information for inclusion in the staff report on the rules should promptly notify Fred Standbrook, Suite G-3, War Memorial Building, Nashville, TN 37243-0059, (615) 741-3072.

NOTICE OF BEGINNING OF REVIEW CYCLE

EMERGENCY RULES

DEPARTMENT OF SAFETY – 1340
DIVISION OF DRIVER LICENSE ISSUANCE

CHAPTER 1340-1-13
CLASSIFIED AND COMMERCIAL DRIVERS LICENSES
AND CERTIFICATES FOR DRIVING

STATEMENT OF NECESSITY REQUIRING EMERGENCY RULES

Pursuant to T.C.A. §4-5-208 I am promulgating emergency rules covering procedures for the issuance of certificates for driving. The emergency amendment to these rules are necessary because of the risk to the security of the State of Tennessee.

I have made a finding that there is an emergency creating a danger to the public welfare in that there have been recent instances of certificates for driving being illegally distributed without proper documentation or testing and sold in violation of the law. Absent an emergency rule to suspend this program, there would be the possibility of such instances occurring again, compromising the security of the citizenry of this state. Therefore, unless emergency rules ceasing the issuance of such certificates to undocumented persons are adopted there would be no safeguard against such issuance. The lack of such rules would be injurious to the security of the citizens of this State.

For copies of the entire text of the proposed amendments, contact: Jason Hunnicutt, Staff Attorney, Tennessee Department of Safety, 1150 Foster Avenue, 615-251-5277.

Gerald Nicely
Interim Commissioner of Safety
State of Tennessee

(2) Reduction in Principal: If the pledgor fails to pay the required interest and fees due in the title pledge agreement and/or the required five percent (5%) of the original principal reduction on the thirtieth day of the third renewal, the title pledge lender may allow the transaction to be continued by a grace period not to exceed sixty (60) days, provided the title pledge lender shall reduce the principal amount of the loan by five percent (5%) of the original principal amount each month solely for the purposes of calculating the interest and fees. (a) Whether the title pledge lender either sold the titled personal or pledged property in the usual manner in any recognized market thereof or if it sold at the price current in such a market at the time of sale;

1. For purposes of determining whether a title pledge lender has sold a repossessed vehicle at the current market price, the Commissioner may reference the published reports of valuations published in any of the automotive industry trade journals.

(b) Whether the sale was made in keeping with prevailing trade practices among reputable and responsible business and commercial enterprises engaged in the same or a similar business;

(c) If the sale was to the general public, whether and to what extent advertising was conducted in order to increase competitive bidding and maximize proceeds or, if the sale was not made to the general public, the number of bids solicited, received, amounts bid and whether such bids were sealed;

1. Bids, if submitted, must be in writing and contain the identity of the vehicle, the amount of the bid, and the name and address of the bidder.

(2) Application of proceeds of sale: As part of a “commercially reasonable” sale conducted pursuant to Tenn. Code Ann. § 45-15-114(b) and as described in Title 47, Chapter 9, Part 6 of the Tennessee Code Annotated, a title pledge lender may defray certain expenses from the proceeds of a sale of titled personal or pledged property obtained pursuant to a title pledge agreement, as provided herein:

(a) The reasonable, actual and documented expenses of preparing for disposition, processing, and disposing of the titled personal or pledged property;

(b) Documented improvements and/or repairs to the titled personal or pledged property completed that are reasonably calculated to increase the commercial value of the titled personal or pledged property;

(c) The title pledge lender shall deliver to the pledgor all proceeds of the sale exceeding the amount owed under the title pledge agreement and the reasonable, documented and actual costs associated with the repossession and sale and an accounting of the expenses, improvements and repairs made to the titled personal or pledged property. Delivery of the proceeds must be made not later than three (3) business days after the title pledge lender receives the proceeds of the sale. If the vehicle was paid for by a check, the title pledge lender may deliver the proceeds within three (3) days after the check has cleared.

(6) Sell or provide an item, service, or commodity through any means that is incidental to the advance of funds pursuant to a title pledge or property pledge agreement when such item, service or commodity may confuse the customer as to the true nature of the title pledge or property pledge agreement.

(7) Use any device or agreement, including agreements with affiliated title pledge lenders, with the intent to obtain greater charges than otherwise would be authorized by the Act, including, but not limited to, the following:

(a) a transaction with the customer in which funds in connection with a title or property pledge agreement are provided;

(b) a “signature loan” and/or sales/leaseback arrangement;

(c) catalog sales;

(a) Hold harmless clause;

I am herewith submitting amendments to the rules of the Tennessee Department of Finance and Administration, Bureau of TennCare, for promulgation pursuant to the public necessity provisions of the Uniform Administrative Procedures Act, T.C.A. § 4-5-209.

Federal law (Title XIX of the Social Security Act) requires that the eligibility of persons enrolled in the Medicaid program be recertified on an annual basis. The attached amendments set forth provisions for recertifying the eligibility of persons currently enrolled in the TennCare program's Core Medicaid Population. In addition, the amendments provide a process for review before the eligibility of persons enrolled in the Core Medicaid Population may be terminated.

I have made a finding that the attached amendments are required by an agency of the federal government and adoption of the amendments through ordinary rulemaking procedures might jeopardize the loss of federal funds.

For a copy of this public necessity rule, contact George Woods at the Bureau of TennCare by mail at 310 Great Circle Road, Nashville, Tennessee 37243 or by telephone at (615) 507-6446.

Deputy Commissioner
Tennessee Department of Finance and Administration

A new paragraph (21) is added to rule 1200-13-13-.01 Definitions and subsequent paragraphs are re-numbered accordingly. New paragraph (21) shall read as follows:

(21) CORE MEDICAID POPULATION shall mean individuals eligible under Title XIX of the Social Security Act, 42 U.S.C. §§ 1396, et seq., with the exception of the following groups: individuals receiving SSI benefits as determined by the Social Security Administration; individuals eligible under a Refugee status; individuals eligible for emergency services as an illegal or undocumented alien; individuals receiving interim Medicaid benefits with a pending Medicaid disability determi-
nation; individuals with forty-five (45) days of presumptive or immediate eligibility; and children in DCS custody.

Subparagraph (a) of paragraph (6) of rule 1200-13-13-.02 Eligibility is deleted in its entirety and replaced with a new subparagraph (a) which shall read as follows:

(a) An enrollee who qualifies for TennCare Medicaid through the TDHS shall recertify his/her TennCare Medicaid eligibility as required by the appropriate category of medical assistance as described in Chapter 1240-3-3 of the rules of the TDHS - Division of Medical Assistance. Prior to termination of Medicaid eligibility for enrollees of the Core Medicaid Population, enrollees’ eligibility will be reviewed in accordance with the following process:

1. Request for Information.

   (i) At least thirty (30) days prior to the expiration of their current eligibility period, the Bureau of TennCare will send a Request for Information to all Core Medicaid enrollees. The Request for Information will include a form to be completed with information needed to determine eligibility for open Medicaid categories.

   (ii) Enrollees will be given thirty (30) days inclusive of mail time from the date of the Request for Information to return the completed form to TDHS and to provide TDHS with the necessary verifications to determine eligibility for open Medicaid categories.

   (iii) Enrollees with a health, mental health, learning problem or a disability will be given the opportunity to request assistance in responding to the Request for Information. Enrollees with Limited English Proficiency will have the opportunity to request translation assistance for responding to the Request for Information.

   (iv) If an enrollee provides some but not all of the necessary information to TDHS to determine his/her eligibility for open Medicaid categories during the thirty (30) day period following the Request for Information, TDHS will send the enrollee a Verification Request. The Verification Request will provide the enrollee with ten (10) days inclusive of mail time to submit any missing information as identified in the Verification Request.

   (v) Enrollees who respond to the Request for Information within the thirty (30) day period shall retain their eligibility for TennCare Medicaid (subject to any changes in covered services generally applicable to enrollees in their Medicaid category) while TDHS reviews their eligibility for open Medicaid categories.

   (vi) TDHS shall review all information and verifications provided within the requisite time period by an enrollee pursuant to the Request for Information and/or the Verification Request to determine whether the enrollee is eligible for any open Medicaid categories. If TDHS determines that the enrollee remains eligible for his/her current Medicaid category, the enrollee will remain enrolled in such Medicaid category. If TDHS makes a determination that the enrollee is eligible for a different open Medicaid category, TDHS will so notify the enrollee and the enrollee will be enrolled in the appropriate TennCare Medicaid category. When the enrollee is enrolled in the new appropriate TennCare Medicaid category, his/her eligibility in the previous category shall be terminated without additional notice.
If a child is reviewed for Medicaid eligibility and is found not to be eligible for any open Medicaid category, the child will be reviewed for eligibility for TennCare Standard under Rule 1200-13-14-.02(3). If TDHS makes a determination that the enrollee is not eligible for any open Medicaid categories or if an enrollee does not respond to the Request for Information within the requisite thirty (30) day time period the TennCare Bureau will send the enrollee a twenty (20) day advance Termination Notice.

(vii) Enrollees who respond to the Request for Information or the Verification Request after the requisite time period specified in those notices but before the date of termination shall retain their eligibility for TennCare Medicaid (subject to any changes in covered services generally applicable to enrollees in their Medicaid category) while TDHS reviews their eligibility for open Medicaid categories. If TDHS determines that the enrollee remains eligible for his/her current Medicaid category, the enrollee will remain enrolled in such Medicaid category. If TDHS makes a determination that the enrollee is eligible for a different open Medicaid category, TDHS will so notify the enrollee and the enrollee will be enrolled in the new appropriate TennCare Medicaid category. When the enrollee is enrolled in the appropriate TennCare Medicaid category, his/her eligibility in the previous category shall be terminated without additional notice. If a child is reviewed for Medicaid eligibility and is found not to be eligible for any open Medicaid category, the child will be reviewed for eligibility for TennCare Standard under Rule 1200-13-14-.02(3). If TDHS makes a determination that the enrollee is not eligible for any open Medicaid categories, the TennCare Bureau will send the enrollee a twenty (20) day advance Termination Notice.

(viii) Individuals may provide the information and verifications specified in the Request for Information after termination of eligibility. TDHS shall review all such information pursuant to the rules, policies and procedures of TDHS and the Bureau of TennCare applicable to new applicants for TennCare Medicaid coverage. The individual shall not be entitled to be reinstated into TennCare Medicaid pending this review. If the individual is subsequently determined to be eligible for an open Medicaid category, s/he shall be granted retroactive coverage to the date of application, or in the case of spend down eligibility for Medically Needy pregnant women and children, to the latter of (a) the date of his or her application, or (b) the date spend down eligibility is met.

2. Termination Notice

(i) The TennCare Bureau will send Termination Notices to all Core Medicaid Population enrollees being terminated pursuant to state and federal law who are not determined to be eligible for open Medicaid categories pursuant to the Request for Information processes described in Rule 1200-13-13-.02(6)(a)1.

(ii) Termination Notices will be sent twenty (20) days in advance of the date upon which the coverage will be terminated.

(iii) Termination Notices will provide enrollees with forty (40) days from the date of the notice to appeal the termination and will inform enrollees how they may request a hearing. Appeals will be processed by TDHS in accordance with Rule 1200-13-13-.12.
(iv) Enrollees with a health, mental health, learning problem or a disability will be given the opportunity to request additional assistance for their appeal. Enrollees with Limited English Proficiency will have the opportunity to request translation assistance for their appeal.

(2) An individual shall request an administrative hearing within 10 business days from the date of the notice of the outcome of the formal file review. A request for a hearing submitted before a case file review has been completed shall be invalid.

(3) Unless the emergency procedures in Rule 0250-7-9-.11 apply, during the 10-business day period in which an individual may request a hearing, the Department shall not disclose that the individual has been classified as the perpetrator of abuse, severe child abuse, child sexual abuse, or neglect in an “indicated” report. The Department may only confirm that a child abuse, severe child abuse, child sexual abuse, or neglect investigation has commenced.

(a) If the individual timely requests a hearing, the Department may only release a statement stating that a hearing concerning the individual pursuant to the child abuse laws of this State is currently pending.

(4) If the individual timely requests a hearing, the Department shall schedule a hearing and give the individual adequate notice of the hearing, as provided by Rules 0250-5-4.

(b) The hearing will be held, and an initial order entered therein, within 90 business days of the date of the notice required in Rule 0250-7-9-.06(10), unless:

1. the time limit is extended or waived by agreement of the parties, or for good cause shown; or

2. the proceedings are stayed pursuant to Rule 0250-7-9-.08.

(a) Good cause is limited to a failure to receive the notice referred to in Rule 0250-7-9.06(10), severe illness, or some other circumstance that substantially prevented the individual from timely requesting a hearing.

0250-7-9-.08 STAY OF ADMINISTRATIVE PROCEEDINGS

(1) The Department shall stay all administrative proceedings under these Rules:

(a) if an individual whom the Department has classified in an “indicated” report as a perpetrator of abuse, severe child abuse, child sexual abuse, or neglect has been arrested or indicted on criminal charges that are derived from the same allegations that caused the Department to investigate; or

(b) if an individual whom the Department has classified in an “indicated” report as a perpetrator of abuse, severe child abuse, child sexual abuse, or neglect is the subject of other administrative proceedings that are derived from the same allegations that caused the Department to investigate.

(2) If the arrest, indictment, or initiation of other judicial or other administrative proceedings occurs any time prior to the entry of a final order by the Department, all proceedings under these Rules shall be immediately stayed pending final resolution (including appeals) of the judicial or administrative proceedings. Provided, however, that the Department shall notify an individual in accordance
with Rules 025-7-9-.06, 0250-7-9-.07, or 0250-7-9-.11, as appropriate. The individual shall comply with the provisions of these Rules, as appropriate, in order to preserve his or her future rights to a hearing or to judicial review. During the stay, unless the emergency procedures in Rule 0250-7-9-.11 apply, the Department shall not disclose that the individual has been classified as the perpetrator of abuse, severe child abuse, child sexual abuse, or neglect in an “indicated” report until the proceedings referred to in paragraph 1 of this Rule become final. The Department may only release the fact that judicial or administrative proceedings involving allegations of abuse, severe child abuse, child sexual abuse, or neglect by the individual are pending before a specified court or administrative proceeding.

(3) If a criminal prosecution results in a conviction or guilty plea for any offense listed in T.C.A.§ 37-1-602(a)(2), or for any act which would constitute physical abuse, sexual abuse, or severe physical abuse as defined in T.C.A. § 37-1-102(10) and (19), if the individual is found guilty or pleads guilty to any lesser offense derived from the offenses or acts alleged under T.C.A. §37-1-602(a)(2) or T.C.A. §37-1-102(10) and (19), or if any court or administrative proceeding results in a judicial or administrative adjudication that the individual has committed, or has knowingly allowed to be committed, any act which would constitute physical abuse, sexual abuse, or severe physical abuse, as defined in T.C.A. §37-1-102(10) and (19) or any act which constitutes child sexual abuse as defined in T.C.A. §37-1-602(2), then such conviction and/or adjudication will be conclusive evidence that the individual is the perpetrator classified in the “indicated” report and the individual will have no right to a hearing provided for in 0250-7-9-.07 in regard to that particular report. In this event, the Department may release information about the perpetrator as permitted under these Rules.

(a) If the criminal, civil or administrative proceeding does not result in a conviction or in a finding as specified in paragraph 3 of this Rule, including pretrial diversion, this fact shall be admissible in the Department’s administrative hearing, but shall not be conclusive on the issue of whether the report is properly classified as “indicated.”

(4) If administrative proceedings were stayed pursuant to this Rule, they shall resume at the point at which they were stayed if the alleged perpetrator so requests such in writing to Tennessee Department of Children’s Services, Case File Review, 8th Floor, Cordell Hull Building, Child Protect Services, 436 6th Ave. N., Nashville, Tennessee 37243, within 30 days of entry of a final order by a court or other administrative body favorably disposing of the issue of child abuse involving the alleged perpetrator or of any disposition other than guilty by a court in a criminal proceeding. If the alleged perpetrator fails timely to make such a written request, he or she shall waive his or her rights to a hearing in regard to that report. The indicated report and information regarding the perpetrator will be released as permitted under these Rules.

(5) Unless the individual has waived his or her rights to a formal file review or to an administrative hearing by failing timely to request same, if administrative proceedings have been stayed, the Department shall notify in writing the individual as follows:

(a) that administrative proceedings have been stayed pending the final outcome of judicial or other administrative proceedings concerning allegations of child abuse involving the individual;

(b) that the administrative proceedings under these rules will be reinstated at the point they were stayed only if the individual requests such in writing to the local office of the Department which issued the original notice within 30 days of the entry of a final order by the court or

(2) In hearings pursuant to 0250-7-9-.07, the sole issue for the hearing officer is to determine whether the standards for classifying the report as “indicated,” as provided in 0250-7-9-.03 have been met. In making this determination, the hearing officer shall consider whatever relevant and admissible proof the individual offers that the report is not properly classified as indicated and shall further consider any competent and admissible proof concerning the dynamics of child abuse relevant to whether the classification is proper.

(3) Unless the emergency procedures in Rule 0250-7-9-.11 apply, the Department shall not disclose that the individual has been classified as the perpetrator of abuse, severe child abuse, child sexual abuse, or neglect in an “indicated” report until the individual has exhausted all of his or her appeal rights under these Rules, including judicial review of a final order by the Department. (4) If the Department, or a court of competent jurisdiction in the event of judicial review, concludes that the standards in Rule 0250-7-9-.04 are not met, the report shall be classified as “not indicated.” The Department shall not release information from its records identifying the individual as a perpetrator of abuse, severe child abuse, child sexual abuse, or neglect to the organizations or persons identified in Rules 0250-7-9-.02(1)(a) or (1)(b).

(a) If the Department had previously disclosed to an organization or person identified in Rules 0250-7-9-.02(1)(a) or (1)(b) that an individual was under investigation under the child abuse laws of this State, the Department shall forthwith notify that organization of person that the report was not “not indicated.” Nothing in this rule shall be construed to require the expunction of any information from internal case records maintained by the Department.

(5) The final order shall include a statement of the available procedures and time limits for seeking reconsideration and/or judicial review.

(6) The final order shall also comply with Rules 0250-7-8-.03 and 0250-7-10.

SUMMARY OF PROPOSED REVISIONS TO RULES

The Tennessee Water Quality Control Board (the board) has initiated the rulemaking process to make revisions to Tennessee's permitting and fee rules. Recently the Tennessee Water Quality Control Act (TWQCA) was amended to provide for citizen appeal of permit actions. The revisions to 1200-4-5 will incorporate that change in law, will provide minor clarifications and corrections to the rule. The revision to 1200-4-11 is a result of a petition before the board to specifically identify individual concentrated animal feeding permits as an annual maintenance fee category. In addition, a typographical error will also be corrected.

CHAPTER 1200-4-5

The rule revision will include several minor changes to correct a typographical error in the chapter title and internal references in subchapters .02 and 07. The chapter title currently reads, "Permit Effluent Limitations and Standards" instead of reading, "Permits, Effluent Limitations and Standards." The rule revision would make that correction. The rule will also be revised in subchapter .07, paragraph (2), subparagraph (n) to prohibit all overflows in order to stay consistent with federal rule and policy.

Subchapter .12 is being modified in order to implement the recent amendment to the TWQCA and will entitle aggrieved persons (in addition to permittees and applicants for permits) a review of permit actions by the Water Quality Control Board. In addition the rule revision will require that permittees, applicants for permits and aggrieved persons be specific in their appeal or request for review and that any such review would only include issues that were brought forth during the public comment period.

Several revisions are being made to subchapter .14 including a change in paragraph (6) that specifies that all CAFOs regardless of size will submit application information to both the Tennessee Department of Agriculture and the Department of Environment and Conservation. Paragraph (15) contains language that requires that CAFOs seeking permit coverage after December 31, 2006, have a nutrient management plan developed, approved and have all measures, structures, etc., in place to fully implement upon the date of permit coverage. Finally, a typographical error is being corrected in paragraph (16), subparagraph (d) part 4.

CHAPTER 1200-4-11

In addition to correcting a typographical error in Rule 1200-4-11-.02 (2), the same paragraph would be amended by inserting the following language as part 12 under subparagraph (b) and renumbering the remaining parts:

12. Concentrated animal feeding operations covered by an individual permit $250
