(Rule 0520-01-21-.04, continued)

- (d) Send an acknowledgement letter to the Complainant stating whether TOCR will pursue an investigation.
- (2) The following timeliness requirements apply to TOCR's investigation of a Complaint arising under Title IV or Title IX:
- (a) TOCR may investigate allegations that have been filed within one hundred eighty (180) days of the date on which the discrimination or harassment is alleged to have occurred.
  - (b) If the Complaint alleges discrimination or harassment of an ongoing or continuous nature, TOCR shall include older events in its investigation as long as the most recent event of the ongoing discrimination or harassment occurred within one hundred eighty (180) days of submitting the Complaint.
  - (c) TOCR may grant waivers of timeliness if:
    - 1. The Complainant could not reasonably be expected to have known the act was discriminatory or harassment within the one hundred eighty (180) calendar day period and the Complaint was filed within sixty (60) calendar days after the Complainant could have become aware of the alleged discrimination or harassment. Lack of previous awareness of TOCR's complaint process or the civil rights laws and regulations enforced by TOCR shall not be a basis for a waiver;
    - 2. The Complainant was unable to file a Complaint because of incapacitating illness or other incapacitating circumstances during the one hundred eighty (180) calendar day period that rendered the Complainant physically or mentally incapable of filing a Complaint or obtaining assistance so that a Complaint could be filed on their behalf, the Complainant provides to TOCR documentation demonstrating such lack of capacity, and the Complaint allegation was filed within sixty (60) calendar days after the incapacitation ended;
    - 3. The Complainant filed a complaint alleging the same or similar allegation based on the same operative facts within the one hundred eighty (180) calendar day period in federal or state court, and filed a Complaint with TOCR within sixty (60) calendar days after there had been no decision on the merits or settlement of the complaint allegations. Dismissal with prejudice shall be considered a decision on the merits;
    - 4. The Complainant filed a complaint alleging the same or similar allegation based on the same operative facts within the one hundred eighty (180) calendar day period with another federal, state or local agency, and filed a Complaint with TOCR within sixty (60) calendar days after the other agency completed its investigation; or

- (4) The LEA or Charter School shall make available to TOCR all Records, information, documents, personnel, students, and evidence needed to resolve the investigation.
- (5) TOCR shall maintain the confidentiality of confidential student information in accordance with FERPA, as well as any other records that are confidential under the Tennessee Public Records Act or other state laws;
- (6) Failure of the LEA or Charter School to provide necessary documentation, grant necessary interviews, or respond to specified questions, may result in a finding of noncompliance against the LEA or Charter School.
- (7) An LEA or Charter School may ask to resolve the Complaint with a resolution agreement before TOCR completes its investigation.
- (8) In accordance with Department procedures, TOCR and the LEA or Charter School may execute a resolution agreement in order to execute a mutually agreeable early resolution prior to the conclusion of the full investigation.
- (9) At the conclusion of an investigation, TOCR shall determine that there is either sufficient or insufficient evidence to support a conclusion of noncompliance. In its investigative summary and findings, TOCR shall include:
  - (a) A statement of the issues raised by the Complainant;
  - (b) A statement of TOCR's jurisdiction over the Complaint;
  - (c) TOCR's determination of sufficient or insufficient evidence to conclude noncompliance; and

- (10) The Complainant or LEA or Charter School may file a written request for reconsideration to the Department of Education's Office of General Counsel ("OGC").
  - (a) The request for reconsideration shall be as specific as possible and highlight factual or legal concerns that could change the disposition of the case. General dissatisfaction with the investigative summary and findings shall not be a sufficient basis for a request for reconsideration.
  - (b) In its review, the OGC shall examine the documentation obtained throughout TOCR's investigation. If deemed prudent by the OGC, the OGC may, in limited circumstances, request and include in the review additional responses or submissions from the Complainant and/or the LEA or Charter School. It may also be necessary to re-interview certain witnesses if Records do not reflect clear responses to the alleged violations of law. The OGC shall not consider issues or concerns that were not raised during the initial investigation.
- (11) In addition, the Complainant or LEA or Charter School may directly file for review of the Department's initial decision or reconsideration decision with the U.S. Department of Education Office for Civil Rights.

(Rule 0520-01-21-.04, continued)

- (12) If TOCR determines that the evidence supports a conclusion that the LEA or Charter School failed to comply with applicable regulations, TOCR shall negotiate a resolution agreement with the LEA or Charter School after issuing its investigative summary and findings.
- (13) Any resolution agreement entered into between TOCR and an LEA or Charter School shall include a corrective action plan which provides:
  - (a) The purpose of the plan;
  - (b) Specific acts or steps the LEA or Charter School will take to resolve compliance issues, if applicable;
  - (c) Dates for implementing each act or step and anticipated completion; and
  - (d) Dates for submission of reports and documentation verifying implementation.
- (14) TOCR shall provide a copy of the signed resolution agreement entered into between TOCR and an LEA or Charter School to the LEA or Charter School. TOCR shall monitor resolution agreements to ensure LEA or Charter School compliance with the terms of each agreement.
  - (a) TOCR may require the LEA or Charter School to submit written reports and documentation that provides evidence of the LEA or Charter School's continued compliance with the resolution agreement.
  - (b) TOCR shall provide written notice to the LEA or Charter School of any deficiencies in implementation and shall request immediate and appropriate action to address those deficiencies. When necessary, TOCR shall require additions to the resolution agreement to address the failure of the LEA or Charter School to fully implement commitments in the original agreement.
- (15) TOCR may permit modification or termination of the resolution agreement or corrective action plan if it learns that circumstances have arisen that either fully resolve or render moot some or all of the compliance concerns that were addressed by the resolution agreement.
- (16) TOCR may modify the resolution agreement or corrective action plan in response to changes in controlling case law, statutes, and/or regulations.
- (17) Modification or termination of any resolution agreement provision may be granted on a case-by-case basis. The Complainant shall be notified, in writing, of significant modifications or termination of the resolution agreement.
- (18) TOCR shall conclude the monitoring of a case when it determines that the LEA or Charter School has fully implemented the terms of the resolution agreement. The LEA or Charter School and Complainant shall be promptly notified, in writing, of the conclusion of monitoring.
