- (2) Eligibility to appeal. Any person with legal standing, and who meets the requirements of T.C.A. § 68-11-1610 may petition the Commission for a contested case hearing to appeal the grant or denial of a certificate of need.
- (3) Filing of petitions. Petitions for contested case hearings must be filed with the Commission pursuant to Rule 0720-08-.01 of the Health Facilities Commission, and must be filed with the Commission within fifteen (15) days of the date of the Commission's meeting at which the action which is the subject of the petition took place. Simultaneous with filing, the petitioner shall serve copies of the petition on all other parties in the matter. The petitioner shall have the burden of proving, by a preponderance of the evidence, that a certificate of need should be granted or should be denied.
- (4) Intervention. Any person with legal standing and who meets the requirements of T.C.A. § 4-5-310 may file a petition for intervention in a contested case.

Authority: T.C.A. §§ 4-5-202, 4-5-223, 4-5-310, 4-5-314, 68-11-1605, and 68-11-1610. **Administrative History:** Original rule filed August 31, 2005; effective November 14, 2005. 0720-13-.02 CONTESTED CASES BEFORE ADMINISTRATIVE JUDGES SITTING ALONE.

- (1) With the exception of declaratory orders referenced below, all petitions for a contested case hearing shall routinely be referred to the Administrative Procedures Division, Department of State for hearing by an Administrative Judge sitting alone on behalf of the Commission. The Commission retains the right, however, to hear any particular contested case on its own behalf.
- (2) In all cases, whether heard by an Administrative Judge sitting alone, or by the full Commission, the petitioner and other parties with the exception of the Commission shall bear the cost for all court reporters and transcriptions, and charges billed to the Commission for the Administrative Judge's work/time; in a contested case where the petition is dismissed, whether voluntarily or involuntarily, the petitioning party or parties shall be considered a "losing party" under T.C.A. § 68-11-1610. The original transcript and one copy of the transcript for each member of the Commission shall be provided to the Commission by the other parties, if the case is to be reviewed by the full Commission.

(Rule 0720-13-.02, continued)

- (3) Unless agreed otherwise by the parties, at the beginning of all contested case hearings, Commission counsel shall provide a summary of what the case is about, description of the project, and introduce into evidence the application, the reviewing agency's report (for applications considered by the Commission prior to October 1, 2021) or staff report (for applications submitted on or after October 1, 2021), the staff summary, and the minutes of the Commission reflecting the action that was taken before the Commission. In no event shall this provision mean that the Commission is a neutral party in contested cases, or that its counsel represents the interests of any party other than the Commission.
- (4) In all cases, whether heard by an Administrative Judge sitting alone, or by the full Commission, the party petitioning for such hearing shall present its case first, unless the parties agree otherwise.

Such review shall be limited to legal conclusions contained in the Initial Order. The Commission may, in its discretion, decline to exercise any review of an Initial Order issued by an Administrative Judge, in which event the Initial Order issued by an Administrative Judge shall become a Final Order as provided by the Administrative Procedures Act.
- (2) In such a review proceeding, the Commission's review is strictly limited to the record which was developed before the Administrative Judge. No additional evidence is to be received or considered by the Commission.
- (3) Such a review proceeding is in the nature of appellate review. Each party will be given the opportunity to file a brief which should specify what action the party maintains the Commission should take on the Initial Order. The Commission may place reasonable page limitations on such briefs.
- (4) In such a review proceeding, each party will normally be limited to oral argument of thirty (30) minutes in length, including rebuttal.
- (5) At the conclusion of the review proceeding the Commission may decide that the Initial Order should be adopted in its entirety, or it may make such modifications to the Initial Order as it deems appropriate.
 - (a) Alternatively, the Commission may take the matter under advisement, and subsequently reconvene, after reasonable notice to the parties, to hold its public deliberations and to render a Final Order.

Such petition shall be filed with the Commission in triplicate, and must specifically identify the statute or rule at issue, and the nature of the ruling sought.
- (2) A petition for declaratory order is viewed as primarily involving questions of law and statutory or rule interpretation. The parties should strive to limit the amount of evidence presented, and to stipulate the facts to the extent possible.
- (3) In the event the petition for declaratory order arises out of the Commission's action on a specific project or issue, the petition for declaratory order shall be filed within thirty (30) days of the date of the Commission meeting at which the action at issue was taken.
