**0800-02-21-.14 SCHEDULING HEARING.**

- (1) All parties or their counsel must participate in a scheduling hearing with a judge no more than sixty (60) days after a hearing request is filed.
- (2) After the scheduling hearing is set, the clerk will send a docketing notice to all parties with the case number, time of the scheduling hearing, and judge assigned to the case. The clerk will also send information to the parties detailing the actions required to prepare for and participate in the hearing. Unless the judge determines that an in-person hearing is necessary, all scheduling hearings will be conducted telephonically or through other electronic means as determined by the judge.
- (3) At the scheduling hearing, the parties will develop a discovery plan and a scheduling order to ensure timely, efficient, and fair resolution of the case.
- (4) At the conclusion of the scheduling hearing, the judge may set a date for completion of post-discovery alternative dispute resolution and the compensation hearing.

**Authority:** T.C.A. §§ 4-3-1409, 50-6-101, 50-6-233, 50-6-233(c), 50-6-236, 50-6-237, 50-6-239, and 50-6-239(c)(1); and Public Chapter 289 (2013), Sections 73, 79, 82, and 106. **Administrative History:** Original rule filed April 1, 2014; effective June 30, 2014. **0800-02-21-.15 EXPEDITED HEARING.**

- (1) When the parties dispute temporary disability and/or medical benefits, either party may file a hearing request. The hearing request must be accompanied by an affidavit or a T.R.C.P. Rule 72 declaration under penalty of perjury, which must contain a plain, concise statement of the facts and any other documents demonstrating the party is entitled to the requested relief. The party requesting an expedited hearing must list any witnesses it intends to call at the expedited hearing on the request form. The affidavit or Rule 72 declaration requirement is not met by the filing of an affidavit or Rule 72 declaration in which the party's attorney is the affiant or declarant. The party filing the hearing request may supplement its request with additional documents by filing them no later than fifteen (15) business days before the date of the expedited hearing.
  - (a) The party opposing the hearing request must file documents, including any affidavits or T.R.C.P. Rule 72 declarations, demonstrating the moving party is not entitled to the requested relief no later than ten (10) business days before the date of the expedited hearing. The party opposing the expedited hearing request must also provide a plain, concise statement detailing why the relief requested should not be granted and listing any witnesses it intends to call at the expedited hearing. The affidavit or Rule 72 declaration requirement is not met by the filing of an affidavit or Rule 72 declaration in which the party's attorney is the affiant or declarant.
  - (b) Evidence or witnesses not disclosed in accordance with this rule, except for witnesses or evidence intended for impeachment or rebuttal purposes, will not be considered unless good cause is shown for why the evidence/witness was not timely disclosed.

(Rule 0800-02-21-.15, continued)

- (c) The court will entertain requests for reasonable extensions of the deadlines in this rule. The request should be made by motion and filed with the clerk before the expiration of the time the party seeks to extend. Any response in opposition to the motion for extension of time must be filed with the clerk and served on all parties or their counsel within five (5) business days after the filing of the motion. The response must be in writing and state with particularity the grounds for the opposition. The motion will be decided on the written materials unless the judge determines argument is needed.
  - (d) Documents attached to the dispute certification notice and filed by the mediator with the clerk should not be refiled with the request for expedited hearing or the opposing party's response.
  - (e) Any party may request that the judge issue a decision on the record instead of convening an evidentiary hearing. Any party opposing the request for a decision on the record has ten (10) business days from the date the hearing request is filed to file an objection with the clerk. The judge may either set an evidentiary hearing or enter a decision on the record. If the judge determines that issuing a decision on the record is appropriate, the clerk will send a docketing notice to all parties with the docket number and the assigned judge. The clerk will also send information to the parties detailing the actions required to present the case for a decision on the record.
- (2) Letters or written statements addressing medical causation and/or the reasonableness and necessity of treatment and medical bills signed by a physician are admissible at an expedited hearing and need not be in affidavit form. At a compensation hearing, these letters or statements, even if in affidavit form, may be excluded through valid objection under the Tennessee Rules of Evidence. This rule has no effect on the admissibility of a standard form medical report for industrial injuries (Form C-32) when properly presented at any hearing.
  - (3) A motion for summary judgment under Rule 56 of the Tennessee Rules of Civil Procedure may be filed only after a judge issues a scheduling order. The motion must also comply with these rules.
  - (4) During an expedited hearing, a judge may take testimony in any manner that is practical for the fair, effective resolution of the request for temporary disability and/or medical benefits, including testimony by telephone or videoconference. Any party seeking permission to attend a hearing by telephone or present witness testimony by telephone or video conference must file a motion no later than ten (10) business days before the hearing.

#### **0800-02-21-.16 MEDICAL RECORDS.**

- (1) If requested, a medical provider treating an injured employee must furnish copies of records at a cost allowed by T.C.A. § 50-6-204 for paper records and Rule 0800-02-17-.24 for non-paper records. The medical provider must forward the records within ten (10) business days of receipt of a written request.
  - (a) For the purposes of paragraphs (1) and (2) of this rule, "medical provider" includes the authorized treating physician, a hospital, and any other entity or person who provides medical care to the injured employee for the claimed work-related injury under the employer's obligation under T.C.A. § 50-6-204. A "medical provider" also includes any

(Rule 0800-02-21-.16, continued)

physician, hospital, or other person or entity that treated the worker for injuries or conditions that were not provided under the employer's obligation in Tennessee Code Annotated section 50-6-204 for treatment of the claimed work-related injury.

- (b) A medical provider is entitled to a reasonable fee not to exceed the maximum charge provided by Rule 0800-02-17-.15(4) for preparation of a written report in response to a request from a party.
  - (c) Records from a medical provider as defined in paragraph (a) of this rule may be provided with the appropriate HIPAA-compliant, written authorization of the employee, which the employee must provide if ordered to do so by the judge.
- (2) Medical records must be exchanged among the parties as in Rule 0800-02-21-.10(2).
- (a) Medical records to be presented as evidence at a hearing must be filed with the clerk no later than ten (10) business days before the hearing. Absent good cause as determined by the judge, failure to comply may result in the exclusion of any medical record that is not timely filed or the assessment of costs or sanctions against the party or the party's attorney. Absent good cause as determined by a judge, no other medical records may be filed with the clerk.
  - (b) Medical records and/or bills are self-authenticating and not excluded by the rule against hearsay when signed by a physician or accompanied by a form signed by a medical provider or records custodian certifying that the records and/or bills are true and accurate. The judge may exclude medical records in response to a proper objection other than to authenticity or hearsay under the Tennessee Rules of Evidence or other applicable law. An electronic signature suffices if the judge finds the electronic signature demonstrates that the provider approved the contents of the medical record.
  - (c) Medical records to be presented as evidence at a hearing that exceed ten (10) pages must include a chronological table of contents. The medical records must be filed with the clerk, and each of the records must be identified by author and date and numbered as in the table of contents. The parties, not the medical providers, must prepare the chronological table of contents required by part (c) of paragraph (2). A self-represented party may, but is not required to, provide the chronological table of contents.

**Authority:** T.C.A. §§ 4-3-1409, 50-6-101, 50-6-204, 50-6-217, 50-6-233, 50-6-236, 50-6-237, 50-6-238, and 50-6-239; and Public Chapter 289 (2013), Sections 73, 79, 82, and 106. **Administrative History:** Original rule filed April 1, 2014; effective June 30, 2014. Physicians may not charge for the first fifteen (15) minutes of preparation time. In instances requiring over fifteen (15) minutes of preparation time, a physician's preparation time in excess of fifteen (15) minutes may be added to and included in the deposition time and billed at the same rate as for the deposition.

The response must state with particularity the grounds for opposition. If no opposition is filed, the dispositive motion will be considered unopposed.
