

**RULES
OF
TENNESSEE WILDLIFE RESOURCES COMMISSION**

**CHAPTER 1660-2-8
ISSUANCE OF SPECIAL PERMITS**

TABLE OF CONTENTS

1660-2-8-.01 Ski Jumps

1660-2-8-.01 SKI JUMPS. Those persons desiring to place a ski jump ramp on the waters of Tennessee must make application for such ramp in writing to the executive director of the Tennessee Wildlife Resources Agency and must be able to comply with the following:

- (1) (a) They must accompany the request with documentation showing approval has been obtained from the appropriate federal agencies (i.e., U.S. Army Corps of Engineers or TVA).
- (b) The application may be in letter form and must indicate:
 - 1. The exact location desired.
 - 2. Acknowledgement that the ramp will be maintained in safe condition at all times.
- (c) Permits will not be issued for ski jump ramps to be installed in a permanent mooring basis.
- (d) Ski jump ramps approved to be left overnight except within 300 feet from boat docks must be adequately marked and equipped with amber colored flashing light.
- (e) Ski jump ramps must be constructed and equipped with adequate means of preventing non-authorized use. Such equipment must be installed and utilized in such a manner as to not be a hazard.
- (f) Ski jump ramps may be placed on the water for use only for the dates specified on the permit.

Authority: T.C.A. §70-1-206. **Administrative History:** Original rule filed April 18, 1977; effective May 18, 1977. Amendment filed May 19, 1980; effective July 3, 1980.
